IMPORTANT NOTE:

We can accept your application at any time, but per CNIC policy cannot add you onto the NBVC active waitlist until you are detached from your previous command. Wait times may vary. Applicants are encouraged to plan accordingly and check in with our office periodically to stay informed of potential delays in housing availability. Having a Plan B for extended lodging, temporary housing, or alternative living options is highly encouraged.

What to Expect:

1. Completed application is processed at the Housing Service Center in ACTIVE or ADVANCED status. If you do not receive a response to your application, please follow up to ensure receipt.
2. ADVANCED applications will be changed to ACTIVE once proof of detachment is received.

3. ACTIVE applications are forwarded to LMH only when they are the next applicant on the waitlist.
4. LMH will send an offer to the service member or authorized POA. NO offers will be sent more than 30 days from your desired housing date.
5. Post move-in, expect a follow up from Navy Housing. Please share any questions or concerns you may have.

Keep in mind base housing is not always available and Service Members may be required to find Housing out in town while on the Housing Waitlist. Our team is happy to help you with available referrals.

You may contact the Housing Service Center for assistance: 805-982-4321 or ventura_housing@us.navy.mil

Once you are assigned into a house from LMH, we at the Housing Service Center are still here to assist you in any way possible. We are liaisons for all Service Members and will assist with any questions and/or concerns you might have. Feel free to give us feedback, so that we can ensure you and your loved ones are provided with great customer service, adequate housing, and a safe living environment.

If you have any questions, please feel free to reach out.
