# WHAT IS A SEQUENTIAL WAITING LIST?

- ❖Applicants will be placed on their appropriate waiting list by bedroom
- ❖To protect PII, applicants will be assigned a sequential number for identification purposes only
- ❖Applicant's position on the waiting list is determined by control date

## WHAT IS A CONTROL DATE?

- ❖ Detachment date from previous Permanent Duty Station (PDS), if application is submitted within 30 days of report date or the date of receipt of the application by the Housing Service Center (HSC) if application is not submitted within 30 days of the reporting date
- ❖Homeported Ships → Personnel attached to ships conducting a Change of Homeport to Guam: Date of promulgation on the CNO message for Change of Homeport Certificates; Not applicable to Guam based submarine tenders
- ❖New Military Personnel → No earlier than enlistment or entry into Navy

## POTENTIAL WAITLIST FLUCTUATIONS?

❖Your position number on the waiting list may fluctuate when an applicant with an earlier control date arrives on island and is merged into the waiting list or when a Key and Essential personnel arrive on the island and placed at the top of the waiting list as a "Priority 1".

## WHAT IS A SEQUENTIAL WAITING LIST?

- ❖ To protect sensitive information, customers will be provided an identification (ID) tracker number sequenced by bedroom entitlement; 2 bedroom = 2000 series, 3 bedroom = 3000 series, 4 bedroom = 4000 series. This ID tracker is for customers to check their position on the waitlist until an assignment is made, and does not determine position on the waitlist.
- ❖ To ensure process transparency, the Family Housing Office shall routinely update a housing waitlist on a weekly basis.
- ❖ The Family Housing Sequential Waitlist will be posted on the Bulletin Board Located at the Quarterdeck as you enter building 3190. Customers may also contact the Housing Service Center directly for status by providing their tracker ID.
- \* FREEZE ZONE: Freeze zone is the top ten percent of a waitlist and will not be altered by new arrivals regardless of rank or position. (with the exception of Key & Essential Personnel) When, as determined by the Housing Director, it is anticipated that assignment is scheduled to occur within 14 days the Housing Director may extend the freeze zone beyond the top 10 percent to include such personnel.
- ❖ DEFERMENTS: Applicants placed in a deferred status for such reasons as civilian lease commitments, deployment, family not in the area, and etc., will be placed on the inactive list. Upon completing all required documents the applicant will be re-activated on the waiting list and placed below the freeze zone.

# IMPORTANCE OF A SPECIAL POWER OF ATTORNEY

If your family is on the waiting list for government housing when you deploy, notify the installation housing office before your deployment. If you give your spouse power of attorney — and give a copy to the installation housing office — before your deployment, your spouse and children may be able to accept and move into government housing. Providing a Special Power of Attorney to your spouse, parent, or trusted friend can help ensure he or she can address whatever needs to be done on your behalf while you are away. For more information, visit your local legal assistance office or create your own power of attorney using the link below:
