(1) The HSC provides the Issue Resolution Program (IRP) for the resolution of complaints by the community landlord and/or service member. The purpose of these services is to advise parties to encourage resolution at the lowest level possible to avoid escalation to the court system. An HSC counselor serves as an unbiased party to affect reconciliation, resolution or compromise between two parties at odds before issues escalate to a more serious level, such as court proceedings, adverse credit ratings or evictions. HSC counselors must have a comprehensive knowledge of Federal, state and local landlord-tenant laws.

(2) HSC counselors must not provide legal advice. For all complaints outside the scope of the IRP, HSC counselors must provide the complainant contact information to the Navy Staff Judge Advocate (SJA), Fleet and Family Support Center (FFSC), command or local law enforcement.

f. All Referral properties will be listed in HOMES.mil as the official site for facilities pre-approved and inspected by the HSC; however, when the CO imposes a restrictive sanction, the CO will direct the HSC to ensure the facility listing is made unavailable in eMH by placing a "Military Housing Office (MHO) Hold". MHO Hold allows the housing office to place a referral property on hold and not show on HOMES.mil, per reference (a).

5. Red Flag. Referral properties will be placed in a hold status for re-listing when issues are pending, such as return of security deposit, disputes, and/or any outstanding legal issues.
